PITTESUROR. Jan. 11, 1860. DR. KRYSER:—My wife has been afflicted with a bed cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Googh Syrap. I bought, the first time, a fifty cent botile, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine inyself to a cold and cough. The medicine cured me by taking one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Pritaguage, Nov. 18, 1658.

Dr. Kryen:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribs bie to recommend your Pectoral Syrap. As a medicine it is well worthy the attention of any person a house in any manner be afflicted with coughs, colds and boarsenass of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

Vere cold.

I have been, more or less, in my life, affected with the severest of colds and houseness. At times my throat would become so classed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully. Yours, most respectfully, EDWARD J. JONES,

STRUBERVILLE, O., March 14, 1859.
I have used Dr. Keyser's Cough Syrup for a bad cough
of several years standing, and can cheerfully say it is
the best medicine for the same that I have ever taken.
J. W. PRICE.

COL. PRATT AND DR. KEYSER'S PECTORAL STRUP.—DR. KEYRER—DEAR Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Gough Syrup aconer. I take great pleasure in saying that it is all you say it is. Binocked the noise out of my could and the worst one I was ever afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breath more freely than I sv r did I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name to this regard, as you think proper E. T. PRATT.

READ THE TRUTH.—Dr. Raysea: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral. I purchased from you a bottle of your PECTOBAL SYRUP, and before she had used haif a bottle she was reliaved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny.

SYRUP.—I live in Pechles township, Allegheny county. I had a coughing and spitting, which commenued accut the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabased until early in October. At that time I was advised to try your PECTOHAL COUGH SYRUP, which I did, and after I had taken one bottle I SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spiriting. I had despaired of ever getting weil, and I think it should be known that this valuable romedy will do for others what it has done in my case.

JOHN C. LITTLE,

PATTON Tr., April 14, 1857.

A WONDERFUL CURB.—Some time ago, an old neighbor of mine was very itt with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectersi Syrup, which I gave him, and it entirely cured him, to the astorishment of all. What makes the case more remarkable, is the extreme ago of the man, he being about eighty years old. I have no doubt the Pectersi saved his life.

DR. REYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable. Pectoral Syrup." Almost everybody around us has the cord and are inquiring for 'Dr. Kayser's Pectoral Syrup." We have sold sixteen bottles usat week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blahevi ie, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

ANOTHER NEW CERTIFICATE—DE. KEYER'S PECTORAL SY EUP.—I had been croubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had ine advice and prescriptions from three of the best physicians in the city, whom i could name, but do not do so. I finsily precured a bottle of your Pectoral Eyrup, which cured me entirely. Signed,

J. W. SIMONTON.

"BTOP THAT COUGHING."—"How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and it that don't care you; your case must be desperate indeed." This is an perioven of the colloquy one bears almost avery day in cold catching, periods of the year. And we can, from actual experiment, cheerfaily concur in the adviser's adminition as above, for we have tried the "Pectoral." in a most studior case, with dutire success. Hear two weeks ago we went to Pitteburgh, with one of the most distressing, contrary, mulich, an subduable coughs we ever experienced since our advent upon tots mundane sphere. We coughed steadily and laboriously for one whole week in hopes of thring it out, but it was no go. In fact it seemed wither to have improved by practice, and to have sequired strength potency and distressibility by the operation. In this stage of the sage, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but mengtan conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drouwsville Gispper, Dec. 14, 1859.

The great obleptity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only occasion, convinces the proprietor that one trial is only occasion, convinces the proprietor that one trial is only occasion, over any other preparation in use. It oleanses the head and scalp from dandruff and other cutaneous diseases, causing the hair to grow insminity giving it a rich, soft, glessy and firstble appearance, and also, where the hair is looseming and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become baid, causing it to yield a resh covering of heir.

There are hundreds of ladies and gentlemen in New York, who have had their hair castored by the use of this invigorator, when all other preparations have falled. L. It will effectually prevent the hair from turning until the latest period of tite; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restors it to it to fit original too, giving it a dark, glossy appearance.
